

# CRAFT AID INTERNATIONAL

Craft Sessions for Differently-Able children in Harrogate

Tuesdays 4.15 – 5.15pm (starting 29<sup>th</sup> January)

Bilton Health and Wellbeing Hub  
Bilton Lane, Harrogate

FREE sessions including refreshments where differently-able children can come along and make friends, meet other differently-able children and create fun, sensory crafts in a calm, welcoming environment.

Organisers and session leaders are all DBS checked and trained in working with those with special needs.

As an organisation, Craft Aid International have been running craft sessions for differently-able participants in Harrogate and Leeds for over 5 years.

We are encouraging older children from local high schools studying for their Duke of Edinburgh awards to come along to the sessions as “craft buddies” to work alongside our young participants.

We have been running a school outreach programme in 2018 and it’s been hugely successful at bridging the gap between able and differently-able in our communities.

We hope that this will also bring opportunities of friendship for you as carers of children with different abilities.

There will be a separate space where you can chat and enjoy a drink while your children enjoy the arts and crafts on offer.

Please contact us to book your place today as places are limited

We have acquired funding from to be able to offer these sessions for FREE for our first term.

After this time, as a local charity, we ask for a voluntary donation of £3 per session
