1 Now is the time, our time to shine,  
And WOW, what a show we have planned!  
Now is the time, we're feeling fine,  
We're ready, so strike up the band!

**CHORUS** *We're gonna sing with all our might,  
Be the leading light,  
Hit the highest height just for you,  
And we'll hear you clapping,  
We'll see you toe-tapping  
When we let the music fly!  
We wanna hear you shout 'ENCORE',  
Crying out for more,  
We've got songs galore just for you,  
And we'll raise the rafters  
With singing and laughter  
In our most spectacular show.*

2 Feeling so proud, singing aloud,  
And WOW, what a buzz in the air!  
Feeling so proud, such a big crowd,  
We're ready, so give us a cheer!

**CHORUS** *We're gonna sing with all our might,  
Be the leading light,  
Hit the highest height just for you,  
And we'll hear you clapping,  
We'll see you toe-tapping  
When we let the music fly!  
We wanna hear you shout 'ENCORE',  
Crying out for more,  
We've got songs galore just for you,  
And we'll raise the rafters  
With singing and laughter  
In our most spectacular, most spectacular,  
(With optional harmony)  
Most spectacular show!*

# I Got A Little Dog

## **All**

This old man, he played one, he played nick-nack on my thumb,  
With a nick-nack paddy-wack, give a dog a bone, this old man came rolling home.

## 1 **Group 1**

I got a little dog and the dog loved me,  
I took the little dog over land and sea,  
I took him to the shops and I took him to the pool,  
That dotty little dog didn't bother me at all.

## **Group 2**

(This old man / two / shoe)

**All** Woof, woof and bow-wow-wow, what happened next? Let me tell you now!

## 2 I got a little cow...

(This old man / three / knee)

I took her to the shops and I took her to the pool,  
That canny little cow didn't bother me at all.

**All** Moo, moo and bow-wow-wow, what happened next? Let me tell you now!

## 3 I got a little goose...

(This old man / four / door)

I took her to the shops and I took her to the pool,  
That giddy little goose didn't bother me at all.

**All** Hiss, moo and bow-wow-wow, what happened next? Let me tell you now!

## 4 I got a little hen...

(This old man / five / hive)

I took her to the shops and I took her to the pool,  
That happy little hen didn't bother me at all.

**All** Cluck, hiss, moo and bow-wow-wow, what happened next? Let me tell you now!

## 5 I got a little lamb...

(This old man / six / sticks)

I took him to the shops and I took him to the pool,  
That lucky little lamb didn't bother me at all.

## **All (slower)**

## 6 I got a little horse and the horse loved me, we all trotted off to a far country, We rode all night and we rode all day, over the hills and far away.
