

## Election of Parent Governor – Rossett Acre Primary School

It is necessary for one Parent Governor place on the Local Governing Body to be filled by a ballot of all parents eligible to vote. Please cast your vote by placing an 'X' *against the name of your chosen candidate*. **If you cast more than one vote, then this paper has to be regarded as spoiled.**

Place X here	Candidate	Details
	Andrew Evans	As the father of two girls in the school, I am passionate about the value of giving children a superb primary education to equip them for their future lives. I understand the importance of Parent Governors and my legal experience would be an asset to the school and its committees.
	Jamie Criddle	With two children in school, I believe that education should be happy and fulfilled allowing all children to flourish on their path to becoming accomplished adults. My experience with the likes of Apple has enabled me to develop many skills; budgeting, recruitment, training and development, communication and HR compliance.

This ballot form must be placed in an inner and outer envelope as explained in my letter of 21 November 2019 and returned to me at the school by **noon on Wednesday 18 December 2019**. Your child should hand the envelope in to Reception, or you can post it to us at:
