'Excellence and happiness for all'

Dear Parents/Carers,

As you will all be aware, the current Covid restrictions have been extended until at least July 19th. In response the DfE have changed their guidelines for school, and unfortunately as a result, we are no longer able to offer Taster Visits for the new children in June or July.

We are disappointed that we won't be able to meet the children in school before the summer holidays, but we will aim to visit nurseries where at all possible and in line with guidance, we are currently gathering information from the various settings and will be arranging visits soon. We will now invite the children to visit school in September, which allows us to maintain the integrity of class bubbles if restrictions are still in place. All children will be in school full-time by the end of the first week, as was originally planned.

To replace the Taster Visits we will have a new transition timetable as follows;

Monday 6th September – Teddy Bear picnic on the school field (weather permitting and more information to follow!)

Tuesday 7th/Wednesday 8th September – Taster Visits (Drop children off for an hour to play in the Early Years classrooms)

10am -11am **and** 1:30pm -2:30pm

There is no need to book and you can attend as many Taster Visits as you would like!

Thursday 9th September – Staggered entry day 1 (all pupils with siblings in school)

Friday 10th September – Staggered entry day 2 (remaining children)

We are sorry to have to change plans at such short notice, but we do have to follow government and DfE guidelines for the safety of our school community. Despite a later transition than planned, we are doing everything we can to help your child on their journey to school and we cannot wait to welcome your children to Rossett Acre Primary School!

Kindest regards,

Ashleigh Christie

Early Years Leader
