*"We all thought yesterday was fantastic! E has grown several feet overnight, and despite being tired she clearly loved it!"*

*"Thank you Estelle, C loved the show! Stephen and I were so proud to see our shy and self-conscious little girl singing and loving being on stage."*

*"Thank you again Estelle for all that you do - my two would not be as confident if it wasn't for your fabulous theatre group."*

*"What you do is fantastic! I used a run a drama group with about 10 adults and I thought that was stressful! But over 80 children doesn't compare. You know how grateful we are to you, and we are equally moved by seeing the joy you bring to all the children."*

*'Hi Estelle - the show was an absolute triumph - we all loved it as did all the kids! I asked A if she wanted to continue with JFF and she said that was a ridiculous question and of course she did! Says it all really! Thanks again for all your hard work & dedication.'*

*"My family was amazed that just one person put together such an amazing show for so many children ranging from 4 upwards, you did an amazing job."*

*"I just wanted to say thank you for asking J to sing a solo. She struggles at times with self-esteem but we were so proud of her and more importantly she was proud of herself. She wouldn't have put herself forward for this so, thanks again, it's great for the children to take part in something non-academic where they can shine."*
