

# Punctuality MATTERS

missed minutes . missed hours . missed days . missed lessons . missed achievements . missed friendships

## LEARNING DOESN'T HAPPEN IN AN EMPTY CHAIR

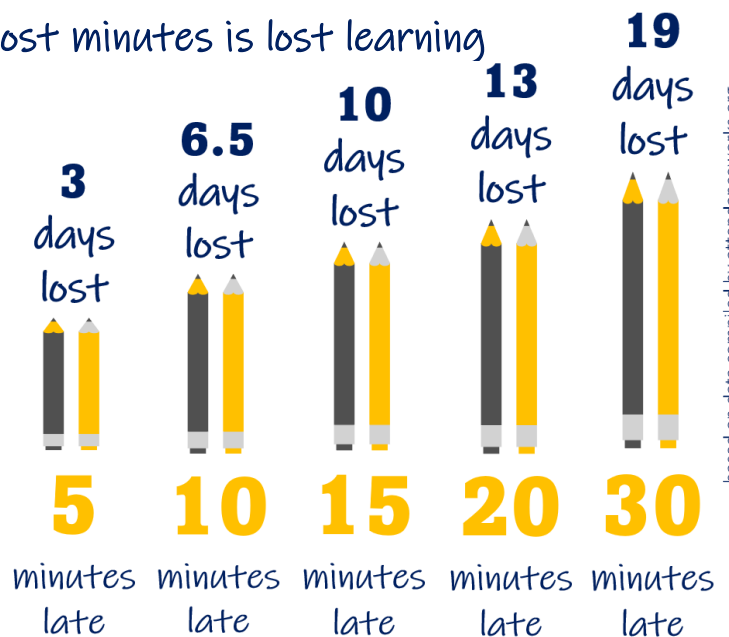

Good time keeping means making sure your child is at school on time and ready to learn by 8.50am

Did you know every minute is so important, being 15 minutes late every day is the same as losing 2 whole valuable weeks of learning!

### EVERY MINUTES COUNTS

Lost minutes is lost learning

based on data compiled by attendanceworks.org

**Help your child reduce Anxiety!** Entering the classroom late is an uncomfortable feeling that elevates anxiety. Your child will feel more relaxed and connected, both academically and socially when settling into the day along with their peers.

**Help your child build Confidence!** Good punctual school attendance helps to build habits that last a lifetime and will transfer to life beyond school, helping promote confidence and wellbeing.

**Help your child stay on track!** It is very difficult to 'catch up' when time is missed at the beginning of the day. Not being there for the introduction and first task really affects your child's day and impacts on the whole class's learning.

## Be on time 10 to 9!

**Every time your child is late into school it must be officially recorded as a session absent, and if persistent this can lead to you, as their parent, being fined for poor attendance!**

Here at Rossett Acre Primary School we promote and foster a positive punctual attendance.

Help us to ensure your child receives the learning they are entitled to.
